DIARY OF AN Awesome Friendly Kid

The world has been hearing about Greg Heffley's middle-school years for thirteen Diary of a Wimpy Kid books... and counting.

But now it's time for readers to hear from his best friend, Rowley Jefferson, in a journal of his own!

Rowley has written his own story of life in middle-school- but he's also agreed to play the role of biographer for Greg along the way.

(After all, one day Greg will be rich and famous, and everyone will need to know his life's story.)

But, it will soon become clear that Rowley is a poor choice for the job, and Greg's biography is less a future masterpiece, and more a hilarious mess.
