PUFFIN BOOKS

My name is Arty,
and today I'm feeling sad.

I used to put on my backpack and
walk to kinder with Mum ...

... but not anymore.

Not since Mum started
talking in whispers and
closing the doors.

She says, 'This is
not a conversation
for little ears.'

I used to drink hot chocolate
at the cafe with my dad ...

... but not anymore.

Not since Dad stopped wearing a suit and
catching the train.

Dad works in the study now and says,
'Please stop disturbing me.'
