My birthday celebrates the day I was born.
It counts how old I am.
I will be three years old!

Some of my friends have turned three already. I have been to their parties. What will happen on my birthday?

Daddy puts up streamers. He says we're having a party – a birthday party. Especially for me! A balloon escapes and we chase it around the garden. I'm feeling excited about the day.

I help Mummy make fairy bread.
We taste-test a piece. **'Delicious!'**
