

# MEATBALL

GOES TO SCHOOL

written & illustrated by TOM JELLETT

The main thing about Meatball is that he eats

**EVERYTHING!**

At home ...

in the car ...

in the dog  
park ...

and at his most  
favourite place of all  
... the beach!

Then there was the time Meatball  
ate Mum's slippers.

This was **too much**.

'This is too much,' said Mum.

'That dog is going to **DOG SCHOOL**.'

‘It’ll be good for Meatball to learn from other dogs,’ Mum says.

‘It will teach him how to behave properly.’

‘Meatball had a great day,’ said the Dog Teacher at pick-up time.

‘He’s a very good learner.’
